

Welcome to the 20th Annual Skagit-Snohomish HCCA Tour !

We are excited about sharing a ride with you. We will headquarter in Clarkston WA, at the confluence of the Snake and Clearwater Rivers.

We will be starting the tour on Sunday with an optional climb up the Spiral Highway to the top of the Lewiston Hill. The highway was designed for wagons and has several flat areas to cool your horses and oxen. A flat landers tour will be offered to the less adventurous.

On Monday, our touring will take us up the Clearwater River through the Nez Perce reservation to Orofino for lunch.

Tuesday's tour will take us over the rolling hills of the Palouse to Moscow ID for lunch

Wednesday will take us toward Peola and return to Asotin for lunch.
Banquet tonight.

We've enjoyed your company in past years and are inviting you to join us at
